Dear Mr. Kahlberg,

On behalf of the Mayor and the Police Officers in the City of Pembroke Pines, I would like to thank you for your expert training on antiterrorism efforts. From March 13-15, 2006, you trained over 200 police officers, detectives and command level personnel, consisting of police from 4 different counties. In addition, you conducted training for community business leaders and lectured at the local Jewish Community Center. This encompassed more than 35 hours of training. By far and large, the detectives of the Pembroke Pines Police Anti-Terrorism Unit said that the after-hours training and guidance that you gave was invaluable.

You should also know that after we implemented the "Kahlberg Plan" at our large mall, it has quickly become a successful endeavor. As such, there are now 6 other business areas in South Florida that are implementing this Secure Zone concept.

We want to thank you for the outstanding training that you conducted over these three days and for sharing this innovative concept with our community. You will always be welcome at the Pembroke Pines Police Department and we hope to stay in contact with you over the future. Please keep up the great work.

Respectfully,

Dan Giustino  
Chief of Police
